

Miss Jewkes' Reception class

Home learning

Week beginning 01-06-2020

Reception activities

In this PowerPoint there are activities for home learning.

Weekly maths focus (White Rose resource) 

Weekly Phonics focus

Weekly Communication, language and literacy task (talking pictures)

Guided Reading task
Please try to read every week.

Learning project

Please upload any learning to Tapestry/complete in home learning journal.

Additional & optional Tapestry tasks added separately to this PowerPoint.

This week a paper learning pack was delivered on Monday. This is for the next weeks until Reception class return in July. When the Reception children return to school I will still be sending home work for the children who are working at home.

Stay safe, you're all doing a great job.
Miss Jewkes.

Communication, language and literacy

Every Tuesday in school we do something called Talking Pictures. There will be a random picture on the class board in the morning. The children have the opportunity to talk about the picture together and then we use the picture to write labels, sentences or stories about the picture. It is an opportunity to develop language and imagination. The writing task is always independent so the children have an opportunity to use their imaginations and phonics skills.

I always remind children to think about their phonics and they have phonics mats in school to help them. So if possible allow them to look at a phonics mat (available on class webpage)

Talking pictures

This week we have sent home a home learning pack that contains lots of Talking Picture prompts. Choose one that sparks your imagination.

Any writing you do take a photo and add to Tapestry!

Learning Project (LP)

Our home learning project is "Why do ladybirds have spots?" It is a minibeast topic.

What can you find out about minibeasts?

Have a lovely week and don't
forget to read, keep active with
Joe Wicks, GoNoodle, Cosmic Yoga
or a nice walk.

Stay safe and keep smiling,

Miss Jewkes & her home learning
helper Biffy the Dog.
