

Newsletter Edition: One

Welcome to the new look weekly newsletter. We have changed the purpose of the newsletter based on the feedback you sent us. We hope that this is more in tune with the needs of the community. The weekly newsletter will not feature tips or help for parents so please email me if you need support with safeguarding, Internet Safety or child development support. Instead, you will get weekly news from our classes with photos of our children in action.

Mental Health Week

Our children in year one enjoyed learning about keeping healthy. The focus was about drawing their attention to the fun things they do to keep themselves happy.

Safety Officers

Please let me introduce our Safety Officers. They are responsible for keeping pupils safe in school. They run lovely competitions and speak in assemblies on variety on topics such as phone safety.

Lunch

Our children have the opportunity to have a lovely cooked meal every day. Our pupils take the opportunity to have a good chat whilst enjoying their packed lunch or dinner. Friday is a busy day as lots of children love pizza and chips

Year Six Mental Health

Our oldest pupils spent time thinking about their proudest moments at home, school and with their friends on Tuesday afternoon. We hope to develop their self-esteem whilst encouraging them to revisit happy memories.

As well as pride the children completed activities on the importance of having their opinions and thoughts recognised and valued by others

In assembly this week, we had Charlie, Emily and Mr Hallman play for us. Our theme was inspirational people and Mr Hallman spoke about Paul McCartney as an inspiration to all people. With mental health week we spoke about Hey Jude and the purpose of the Beatles classic as a comfort to Julian Lennon when his mother and father split up.

This helped out pupils to think about how they could turn their sad memories into more positive thoughts.

Our Digital Leaders helped our pupils to enjoy Disney Classics with a live orchestra to help raise happiness levels in the assembly too.

The Multiflex team have helped to train our pupils and staff to deliver high quality gymnastics lessons this week. Our Year Four children enjoyed balancing on the apparatus.

We were delighted to be able to put on a disco and classroom karaoke for the children after school on Wednesday. The children had a superb time and enjoyed some 'Oldskool' dancing!
